

Mission Aviation Fellowship

take God's love
to people

Our Vision:

Isolated people
physically and spiritually transformed
in Christ's name.

Madagascar

50 mile journey from Sahakevo to Manakana

Desert and dry season roads

Liberia

Wet : rivers with few crossings;
swamps; > 4.6 m rainfall a year

MYANMAR

Area almost 3x UK with
less than 10% of UK's roads

Isolation through natural disasters

In a typical year MAF serves:

... by flying about 70,000 flights with more than 130 aircraft landing in over 1650 locations in more than 25 countries ...

... delivering over 7 million kg of material as freight
and about 190,000 passengers ...

...bringing food and economic aid...

...bringing medical and educational aid and spiritual hope...

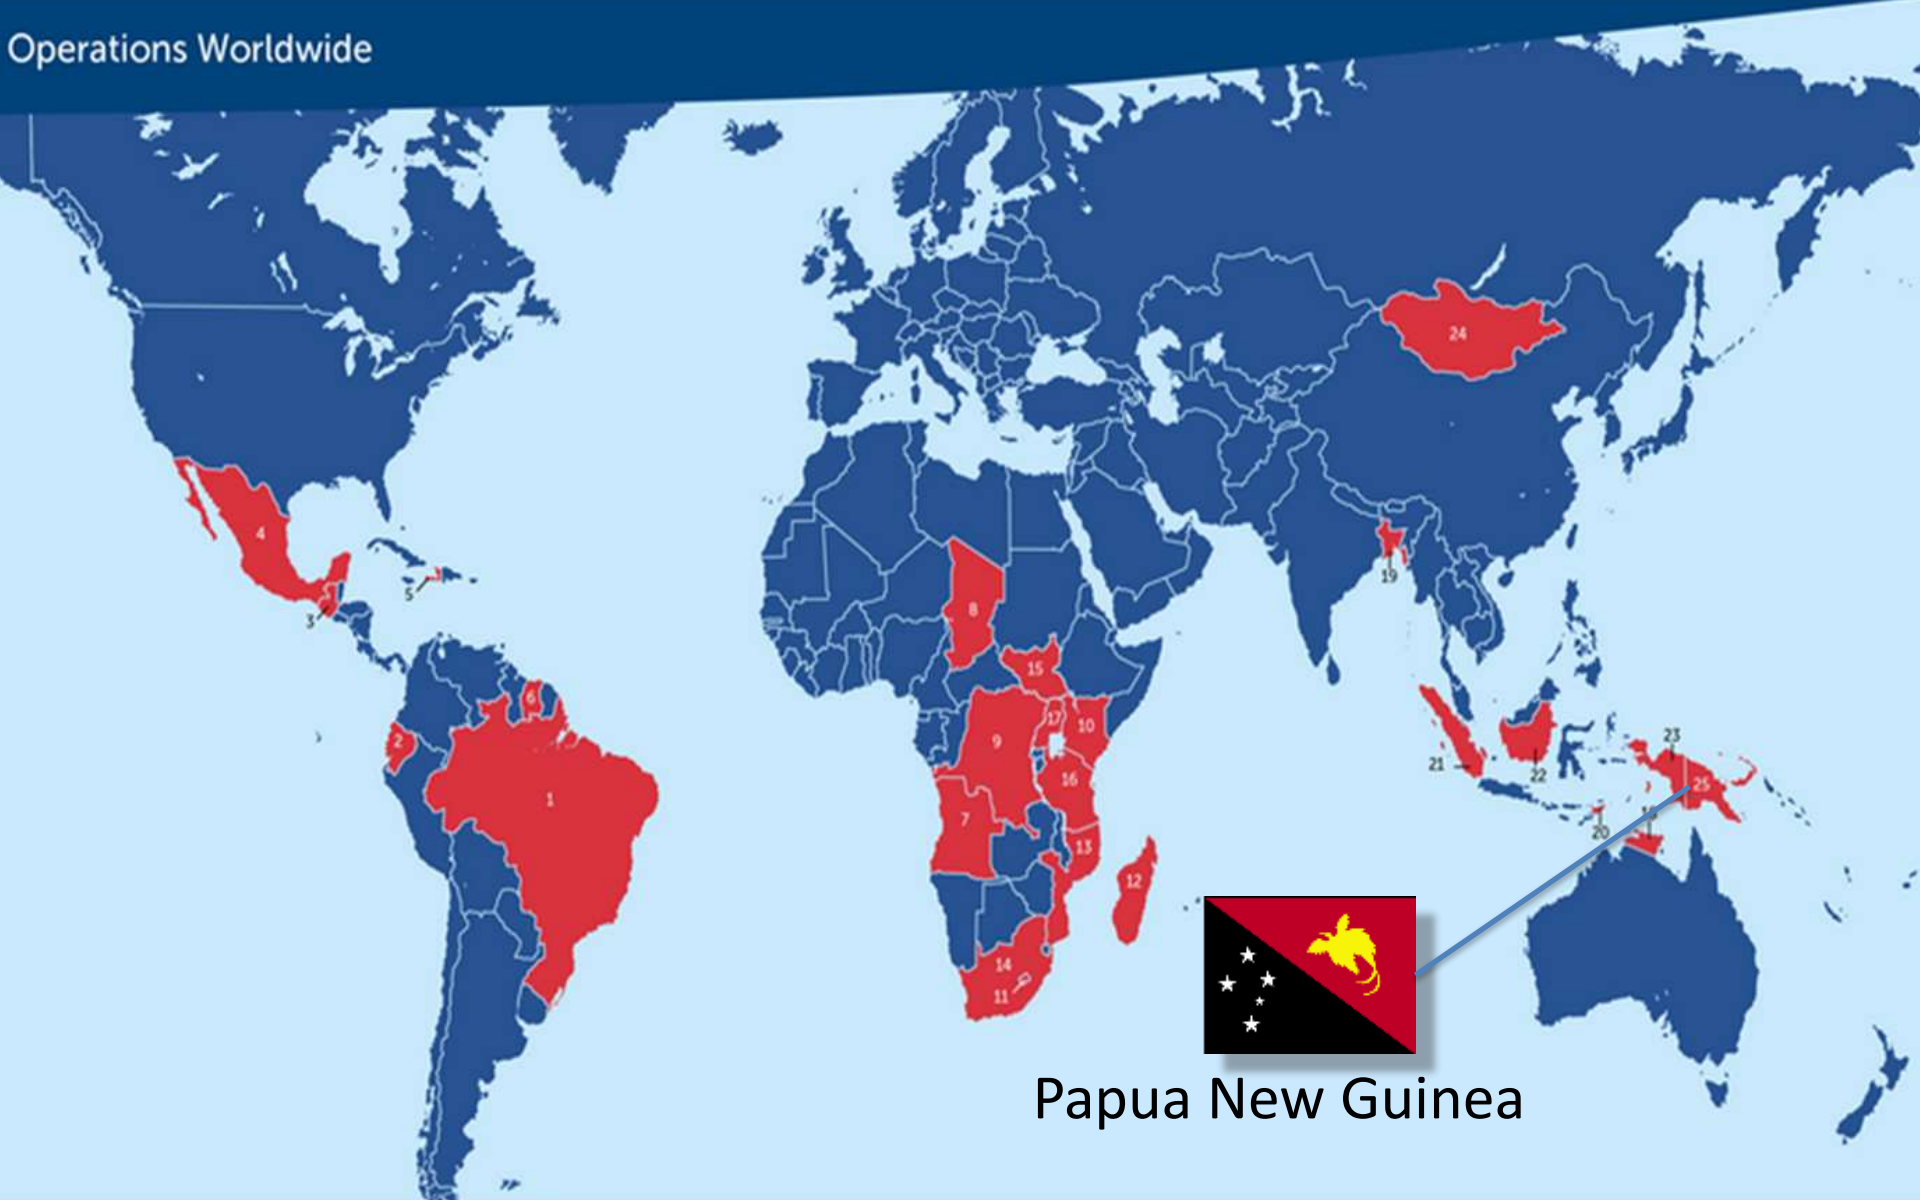

... working with over 1500 partners ...

... flying over 10,000,000 km (eq. to 250 x around the equator) in 45,000 hours, which is on average 20,000 miles in over 250 flights every day...

... every
3 minutes
a MAF flight
either takes
off or lands ...

Papua New Guinea
